I love to read and run. I am currently training for a 10 mile & a half marathon.

Did your family go to church when you were growing up? If so, what kind of church?

Growing up my family attended a Catholic Church, then as an adult I switched to the Lutheran before finding CTV.

How did you come to know Jesus personally?

It has steadily grown over the last four and a half years since we started to attend CTV, through Chips sermons, small group and spiritual direction.

What is one thing God has shown you or taught you in the last year?

I have learned that I can love God and love others more completely than I ever thought possible.

As a Board member...

What experiences have you had inside/outside the Church that you believe will help you serve in this capacity?

The experiences of working with the Women's Ministry, being a part of small groups and the experience of being a small business owner for ten years will all help me in this role.

What is your vision or dream for Church in the Vineyard?

For everyone there to experience God intimately and to live a life fully in Christ.

What do you see as unique about Church in the Vineyard as compared to other churches in our area?

CTV provides an environment where we can know God without the precedent of religion. It goes beyond knowing about God to knowing God with no religious burden.

What criteria will you use in determining the approval and priority of new programming ideas?

Prayer, and positioning myself to hear God through prayer, worship and loving others.

Why and how will you build trust with the congregation as an individual board member and for the board as a whole?

Loving others well will give me the ability not to look at differences but to embrace their unique ideas and gifts within the body of Christ.

Do you have a relationship that is confident enough with Pastor Chip to provide both encouragement and challenge?

Yes.

Why do you feel led to continue on the Board (N/A for new Board members)?
