Church in the Vineyard Youth is teaming up with YouthWorks! to bring you an AMAZING summer mission trip experience. Want to know more? Read below!

What is YouthWorks!?

YouthWorks! is an organization that exists to help teens experience Jesus Christ through serving. They have 79 worksites within the US, Canada, and Puerto Rico. Basically what happens is that we sign up for the trip and they run and facilitate everything to make the trip happen. All the details including food and lodging are taken care of by them. They take care of the details so that we can focus on our team and their mission trip experience. Want to know more? Check out www.youthworks.com.

What will we be doing?

We will be working in Harrisburg with organizations that YouthWorks! already has a relationship with. From the website: "Our goal in partnering with local service organizations and programs is to address the very basic needs of residents. Students may serve at places like: children's programs, elderly centers, and thrift stores. Whether we're painting houses, performing minor home repair, cleaning up debris, volunteering in community gardens or other projects in the community, work projects will serve as our way of blessing people in need." We won't know exactly what we're doing until we get there.

At night we will be exploring different parts of the local area to learn more about the history, culture, and also have a lot of fun. There will also be an evening debrief every night with worship and teaching.

Why are we doing this?

Service is a huge part of what it means to be a Christian. Jesus modeled this for us by coming to us and dying on the cross – the ultimate act of service. One of the things that Jesus said when He was on the earth is that whatever we do for the least of these we do for Him (from Matthew 25). That means when we serve others we're serving Jesus. The Bible also tells us that God is love. So when we love others, which you'll be doing by serving them, you're showing them God.

OTHER INFO

Team Meetings and Training:

As of right now there are no dates set for training and meetings. Manor Presbyterian Church's Impact youth group is also going on this trip so there will most likely be meetings with both groups together. You will know about meetings and training as soon as the dates are set.

What About Money?

We understand that money is tight right now and \$300 is a lot of money. The great thing about this trip is that each person can send out **support letters** to family and friends asking for a tax-deductible donation to help pay the way on the trip. A sample support letter will be provided as an example of what you can send out.

If you feel that you are supposed to go on this trip, money should be the last thing stopping you. If we need to, our team can do fundraisers. You can also send out letters (just mentioned above). It is an act of faith for you to say, "God, I don't know how I'm going to get this money but I know you can help me do it." Then you start plugging away and you'll be amazed and what God can do through you!

Checks and Payments:

All checks should be made out to "Church in the Vineyard". We will be paying YouthWorks! periodically as different deadlines approach. CTV.Y YouthWorks should be written in the memo line.

If you have any questions, please get in touch with me by email (johnny@chitv.org) or phone (484-667-6160).
